## NOTARY PUBLIC ERRORS & OMISSIONS

### Why Does a Notary Public Need Errors & Omissions Liability Protection?

1. A notary bond protects the public and not the notary.
2. In the event of a loss on a notary public bond, the bonding company will look to the notary for total reimbursement of any losses it pays.
3. Malpractice suits are commonplace today because the public is very claims conscious, especially in the field of professional liability.

*The Notary Public Individual Errors & Omissions policies are written for four years.*

Below are the notary public errors & omissions premiums. There are two different premiums—one premium is when you purchase a notary bond with the errors & omissions and the other premium is when you only order the errors & omissions without the bond. The reason for this is there are three different bonding companies who have different premiums.

This is the E&O Premium  
when a bond is also purchased.

This is the E&O Premium  
when a BOND IS NOT PURCHASED.

\$10,000 E&O	\$35.00	\$35.00
\$15,000 E&O	\$50.00	\$57.00
\$25,000 E&O	\$70.00	\$116.00
*\$50,000 E&O	\$148.00	\$400.00
*\$100,000 E&O	\$170.00	\$600.00

\*There is a separate application for the \$50,000 and the \$100,000 Errors & Omissions policy. See back of order form for the application.
