Individual Errors & Omissions Policies underwritten by Surety Bonding Company of America

Why Does a Notary Public Need Errors & Omissions Liability Protection?

1. A notary bond protects the public and not the notary.
2. In the event of a loss on a notary public bond, the bonding company will look to the notary for total reimbursement of any losses it pays.
3. Malpractice suits are commonplace today because the public is very claims conscious, especially in the field of professional liability.

The Notary Public Individual Errors & Omissions policies are written for four years.

The Notary Public Group Errors & Omissions Policy is written for an annual term.

Notary Public Group Errors & Omissions Policy

Advantages of the Group Errors & Omissions:

The Employer is covered under the Policy at no additional charge.
All Notaries are to be included.
Premium is paid annually.
Covers new notary publics until renewal date with no additional premium

Group Errors & Omissions Annual Premium per Notary:

$10,000 policy	$ 8.75/year per notary
$15,000 policy	$ 18.75/year per notary
$30,000 policy	$ 73.75/year per notary
$50,000 policy	$100.00/year per notary
$100,000 policy	$150.00/year per notary

Two or more notaries qualify as a group!

Example: A business with 3 notaries wants the $15,000 policy. 3 notaries x $18.75 = $56.25/year.
